<p></p><p>Subway Surfers is an immensely popular endless runner

game where you have to run away from the grumpy inspector through which trains

pass continuously at full speed. You play as Jake, who surfs the subways and tr

ies to escape from the grumpy inspector and his dog. Jake needs to dodge obstacl

es in time so as not to slow down and continue to run away from his pursuer. Not

only will you have to run to the end, but your adventures in Subway Surfers are

aimed at collecting coins and completing missions to keep increasing your score

, because they directly affect the number of points received. Furthermore, coins

that you have collected can be used to unlock different characters and upgrade

your hoverboards. Among other things, you can collect various boosters, which ar

e flying backpacks, hoverboards, magnets and much more. To extend these games, y

ou will use the different power-ups and special gear scattered around the settin

g to help you in various ways: jump higher, take to the skies at high speed, or

automatically collect coins from any lane. The game will end when the surfer is

caught by a guard or crashes into one of the obstacles on the level, like trains

or columns. But don't worry. You'll start running again in a new and exciting g

ame with a tap on the screen. Don't forget to complete the awards, since they gi

ve you keys. In MyTour you can collect rewards from completing daily Word Hunt

s. Special events, such as the Season Hunt, can result in in-game rewards.</p
