Lionel Messi and Cristiano Ronaldo are among the 23 players whose names have made up FIFPro&#39;s World XI 2024 nominee list in appreciation of their accomplishments and performances.

More than 28,000 professional football players have cast votes for the players they wanted to see included in the World XI through the FIFPro organization.

Since this is the only award in international football that is selected solely by the players, there are a few requirements that must be fulfilled before the players are considered eligible, reported Sportskeeda.

The awards event is to be held in London on January 15, 2024.
