A turnkey project is one which is designed, developed and equipped with all facilities by a company under a contract. It is handed over to a buyer when it becomes ready to operate business. Obviously, the company responsible for building a turnkey project does it for the cost as agreed in the contract.

Turnkey Project: Meaning, What is Turnkey Contract & Examples

Los Ghostface de Panic 6, también conocidos simplemente como Ghostface, son los antagonistas principales y los asesinos en serie en la popular franquicia de películas de terror "Panic". Aunque el personaje de Ghostface es retratado como un solo asesino en cada película, la identidad real del asesino cambia a lo largo de la serie.

En "Panic 6", al igual que en las películas anteriores de la franquicia, Ghostface es representado como un asesino enmascarado y sigiloso que utiliza un cuchillo de cocina como su arma principal.
